- The map illustrates the Malingsbo-Kloten Nature Reserve, a large green-shaded area. It features a network of trails: red lines for general hiking and skiing, orange lines for dedicated hiking, and blue dotted lines for canoeing. A thick green line marks the reserve's boundary. Numerous lakes are shown in light blue, including Snösjön, Hällsjön, Björnsjön, Nyfors, Malingsbosjön, and Kloten. Settlements like Snöån, Björnsjö, Nyfors, Malingsbo, Kloten, N. Bisen, and Bagga are marked with orange dots. The map is populated with various icons representing facilities such as viewpoints, shops, fishing spots, information centers, campsites, rental cottages, and overnight cottages. A compass rose is located in the bottom right corner, and a scale bar at the bottom indicates a scale of 1:100,000.
